

Office Painting and Cleaning

Dates:

Flexible: Potential dates can be discussed with the coordinator, however the summer months are quite warm. This project can likely be completed in one or two days, thus making a weekend trip ideal. This would be a great opportunity to combining multiple projects into one trip. Consider adding the library project to your trip.

Individual Budget:

Approximately \$110—This includes three nights lodging, meals, and transportation to and from airport (If needed) and around El Paso. This is an estimated cost and could change if extra days are added to event for another project or activities. Transportation to/from El Paso is not included in this number.

Materials for Project:

Project costs are \$800. This includes building materials, tools, and miscellaneous items needed for the projects. The cost of these materials should be divided among the entire group.

Walls are prepped and ready to be painted

Project:

A small team is needed to clean and paint the walls of the office building in number 14. The project requires removing items on walls, cleaning walls, and finally painting them with two coats of paint. This is an ideal project for a weekend group, or can be combined with another small project such as Loading up the Library or Taming the Tool Shed.

Since our inception in 1982, servant events have been integral in supporting the ministries that occur here by working on projects related to mission maintenance, human care, education, and evangelism.

No special skills are required for this project, however it does entail some over head work and standing for several hours.

Project Location:

The team will stay and work on campus of the Ysleta Lutheran Mission in El Paso, Texas. The campus is over 100 years old as was a former calvary outpost, bible college, and more. The Rocky Mountain District of the LCMS purchased the property and opened in 1982 to serve spiritual and human needs along the border. Please speak with the coordinator to plan other El Paso events during your trip to the sun city.

The Servant Event program provides opportunities for service to youth and adults from around North America. Groups show God's love through service at YLM as well as 6 mission sites in Juarez, and the Sparks Colonia, just outside the El Paso city limits. We invite YOU to come and be a servant, using the time, talents, and treasures God has given you to touch someone in a way you may not even realize. For more information or to book a trip, please contact Chris Hill at (915)858-2588 or chill@ylm.org.
